1. Comment. Since 1 October 1954, the Kuestrin-Kietz border station has also been used for hard coal imports from Poland. For that reason, a distribution point of the DHZ Kohle was established at Kietz railroad station.	25X1
2. Comment. This shipment was connected with the motor vehicle exchange program which started in late July and was intensified in early November. This is the first motor vehicle shipment reported from Kuestrin. Motor vehicle shipments were previously exclusively dispatched from Brest Litovsk via Frankfurt/Oder.	25X1
3. Comment. This bridge which was built from military bridge equipment is being replaced by a permanent structure.	25 <b>X</b> 1
